

MARCH 2020

"Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing or learning to do." - Pele

Amidst the uncertainty of COVID-19 and the closure of many businesses we wanted to take the time to reassure our current clients, potential new clients, and the people who support the work that we do, that The Nieves Law Firm is fully operational and set up to work remotely.

We do think it is important to share the information we have received about court closures in Alameda County and what that means for pending cases. We have created a short video that explains what is happening with open cases and how to determine if your matter will proceed or be continued.

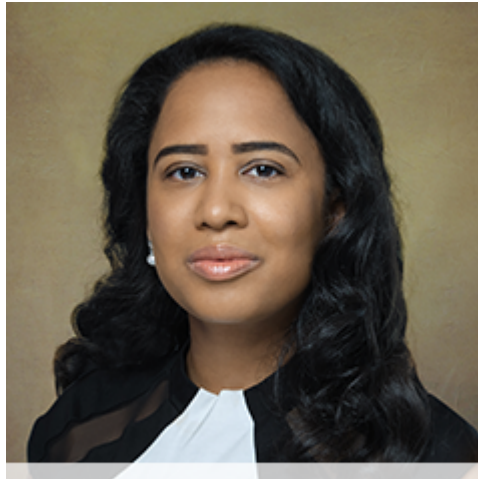

Shortly after creating the video about court closures in Alameda - the Chief Justice of the State of California issued an Emergency Order that relates to in custody clients and the calculation of time. You can find more information about what this emergency order authorizes the Superior Court of Alameda County to do in the video section below.

If you or a loved one have questions or concerns about a criminal or restraining order matter and need to schedule a consultation please feel free to give us a call at 510-879-7549. If you are uncertain about how COVID-19 will impact a pending or upcoming case, we are here to help.

See full emergency order here.

If you know anyone who could use the information covered in these newsletters, feel free to forward it along to them and encourage them to sign up at www.thenieveslawfirm.com.

Thank you, Jo-Anna Nieves
